Dear Mr. Miklosvary,

The Delaware Public Service Commission ("Commission") is in receipt of the application (the "Application") submitted by Albireo Energy, LLC ("Company") for certification to provide electric supply services in Delaware. The Application is incomplete as filed and additional information is necessary to complete the minimum filing requirements ("MFRs"), as indicated below:

Section 2.2.2 State of Formation Certificates

- Please provide proof issued from the state of Michigan that it does not require business licenses from electric brokers to support the Company's request for a waiver of Section 2.2.2 of the Supplier Rules.

Section 2.1.6 Verification of Application

- Please provide a signed, sworn statement of verification for each subsequent filing in this docket.

The Company may request that the Commission provide confidential treatment to some or all of the information contained in a document. When requesting confidential treatment for documents filed with the Commission, please simultaneously file a redacted, public version of the same document and an attestation that the information is not subject to inspection or disclosure to the public.

Staff respectfully requests a response to this notice of deficiency on or before July 19, 2019. Please note that 26 *Del. Admin. C.* § 3001 (the "Supplier Rules") section 2.4 provides that incomplete applications will be closed four (4) months after the filing date. If the application is not completed within the four (4) month time frame the applicant forfeits their application filing fee and must resubmit the application with an additional filing fee. The responses and verifications can be uploaded as a subsequent filing in DelaFile under Docket No 19-9005.
